### Officials Faced Crisis.

nancial affairs, due to insufficient funds | Mme. Caillaux. aking available one twenty-fourth of apprepriations for the latter when word reached the Disict building this morning that the Presi-ent had attached his signature to the about her health.

date preparation of plans for the Park View school, to be built at 7th and Newton streets northwest, at a cost of 2,000. Actual construction of this ding may start in about six months.

### Other Buildings Provided.

The municipal architect is now cometing plans for the colored high school vest and will shortly begin a survey for Upshur streets northwest. The appropriation bill authorizes the expenditure of \$15,000 for preparation of plans for this institution. It also provides for the purchase of a site for the new Eastern High School at a cost of \$150,000. It is considered probable that the property occupied by the car parn of the Washington Railway and Electric Company at 14th and East Capitol streets may be acquired for this purpose.

has yet been selected. Building and site are expected to cost in the neighborhood of \$10,000.

Plans have been completed for the co struction of a residence for the superintendent of the Taberculosis Hospital, at 19th and Upshur Streets, for which an attropriation of SCORM is carried in the bFI.

## Road and Street Funds.

No large park acquisitions are urion roads and streets the following appropriations are available: Northwest-Irving street, Georgia

street. New Hampshire avenue to 8th road to Biltmore street, \$12,700; Taylor street, \$1,299; Harvard street, 16th stward to end of pavement, store Allison street. Sth street

Webster to Allison street, \$5,200; Newton place, Park place to alley west of ad street to Columbia road, \$7,200; Shep- of the Figure.

to Raleigh street, \$800; 4th street, Nichols avenue to Savannah street, \$1,000; 6th street, Alabama avenue to Savannah street, \$1,100; Randle place, Alabama avenue, to Savannah street, \$1,100.

### \$360,000 for Resurfacing.

The appropriation bill carries about \$360,000 for resurfacing of streets, but does not specify what thoroughfares are to be improved. It also includes a provision that property owners shall sear half the expense of resurfacing improvements. The Commissioners are

improvements. The Commissioners are in doubt as to whether or not they can order improvements of this character without giving property owners who are affected a hearing. They have asked the corporation counsel for a ruling on the subject.

Under the terms of the bill the Commissioners lose their horse-drawn conveyances, though an appropriation is made for the purchase of an automobile for use by the civilian members of the board. The District government already maintains an automobile for use by the Engineer Commissioner.

## Havana Wants Sailors' Cash.

HAVANA, July 21.-The merchants of Havana haave addressed a petition to the America legation requesting that arrangements be made with the American government to allow American warships on the way to Mexico to stop at Havana. The request is believed to be due to the amount of money spent by American sailors who land here.

Showden Ashford, municipal architect, all be one of the busiest local officials high provides for new school and other buildings for which plans will have to be drawn.

Mr. Ashford will begin at an early date preparation of plans for the Park View school, to be built at 7th and Newton streets northwest, at a cost of the construction of this streets and actual construction of this streets.

The prisoner previously had looked through a mass of morning papers and had been sympathetically treated. The steno-papers and besides this there were many appreciations of her dexterous arrangement of facts and of the feeling she had put into her descriptions of her agony.

The prisoner previously had looked through a looked through a mass of morning papers and had been sympathetically treated. The steno-papers and won responsibility. I have not been in communication with Dave Fultz, either. Doubless, however, he as well as every-body else will be pleased with this settlement of the situation."

Mr. Ebbets said. "I acted entirely upon my own responsibility. I have not been in communication with Dave Fultz, either. Doubless, however, he as well as every-body else will be pleased with this settlement of the situation."

Mr. Ebbets said. "I acted entirely upon my own responsibility. I have not been in communication with Dave Fultz, either. Doubless, however, he as well as every-body else will be pleased dwwn."

Mr. Ebbets said. "I acted entirely upon my own responsibility. I have not been in communication with Dave Boddes during the next few weeks, as the appropriation bill provides for new school and other buildings for which plans will ing she had put into her descriptions

of her agony.

The court was a little late in assembling today, and meantime Mme. Callaux talked over her case with Fernand Labori, her advocate, in a private waiting room. After Judge Louis Albanel and his associates had taken their places on the bench Mme. Callaux entered the prisoners' inclosure without hesitation and with an air of making herself at home.

She was dressed precisely as on the first day of the triat. She took her coat and looked quietly around the crowded court. Dark circles under her eyes and her quick, nervous gestures seemed to betray the strain she was undergoing.

Joseph Callaux, the prisoner's husband, then entered the court and took his place among the witnesses. He was accompanied by tracking the court of the difficulty—for Newark to buy Nashville's interest in the player. betray the strain she was undergoing.

Joseph Calllaux, the prisoner's husband, then entered the court and took his place among the witnesses. He was accompanied by two detectives, owing to the fact that a group of bystanders had hooted him and shouted insults at him as he left the prison after visiting his wife.
